#### **2. THE CAREER INTEREST TEST AND COUNSELING SESSION**

Training and Placement cell of the institute has successfully organized the Career Interest Test and Counseling Programme for B.Pharm Final year students from 12<sup>th</sup> September to 27<sup>th</sup> September, 2014. The students were interviewed personally, questions of different category were asked to each student to judge the student's attitude and personality. The proper suggestions were given to the students for selection of career option.

The programme was aimed with following purposes,

- To put forth the career options in front of the students.
- To know the area of interest of the students to built up their career.
- To create awareness about the importance of higher studies in India and Abroad.

- To create the interest for competitive exams such as GRE, TOEFL, GPAT and to counsel them for higher studies.
- To have a deep interaction with every student.
- To know the educational, economical, family background and every possible details of the student.
- To counsel the students for the improvement in their skills during the Interview, communication skills and soft skills.
